

Gather the Good Farm Market 2020 Shareholder Agreement

I agree by completion of this agreement to register as a member of the Gather the Good Community Supported Agriculture (CSA) program. I understand that farming is a seasonal and unpredictable undertaking and that the exact selections included in the market will vary as the season progresses. In joining this CSA, I understand that products will be produced using sound sustainable farming techniques and agree to share in the fluctuations and variations inherent in farming.

The Farm Market produce season runs May to October. Meat, eggs and non-perishable items are available year round. During produce season a weekly email will be sent to you regarding the perishable products that will be available. Every week the Farm Manager will gauge quantities of each produce item to have available in the market. If you desire a bulk amount of any item, you must email a request to the Farm Manager by Tuesday at 5:00. Additional partners will provide other wonderful items, with shelf life, that we think you will enjoy. All members of the Farm Market choose what products they want to purchase and charge against their account. Your member file will be kept at the market where you post your purchased items.

Share Options:

We are growing the Farm Market with the Aberlin Springs community. Until there are more residents, we are offering share options to friends and family. As a member you receive the correspondence about product availability and event invitations. The non-resident share option would be \$850. payable by check to Gather the Good Farm Market. No refunds will be given once the agreement is signed. Send to 3472 Snook Road, Morrow, OH 45152.

Pickup:

Harvesting and produce delivery will take place on Thursdays therefore the market is closed until 5:00 on Thursdays. Open all other days until dusk. This is a self-serve pickup.
