

**GATHER THE GOOD FARM MARKET
COMMUNITY SUPPORTED AGRICULTURE
SHAREHOLDER AGREEMENT**

Gather The Good Farm Market LLC ("GTG") has developed a community supported agriculture program ("CSA") designed to provide fresh produce to its members. The goods provided through the CSA are grown, raised, and harvested on site at Aberlin Springs and from other local providers. A variety of seasonal fresh produce will be available in the Gather the Good Farm Market (the "Market") CSA pickup. .

GTG is committed to using sound and sustainable farming techniques to grow and cultivate the highest quality produce. That said, farming is a seasonal and unpredictable undertaking, which will likely result in fluctuations and variations in both the volume and variety of selections included in the Market throughout the year. In order to help ensure sufficient quantity and assortment of items, the CSA will only be available to residents of Aberlin Springs and others that agree to become members of the CSA.

During produce season, a weekly email will be sent to each CSA member. This email will provide information about the perishable items that will be in your CSA bounty that week. Depending upon crop availability and projected demand, there will be additional produce available in the Market for purchase. Additional items i.e. meat, eggs, honey, etc. from select providers will also be available for purchase throughout the year.

As a member of the CSA, you hereby agree to the following terms and conditions:

1. Prompt payment of the annual membership fee for a one-year membership running from February 1 of the applicable calendar year to January 31 of the following calendar year ("Membership Year"). Payment is due in full no later than January 31 prior to the Membership Year, and shall be payable to: Gather the Good Farm Market.
2. Once paid you will be able to make purchases in the Market. Additional items available in the market may be purchased with cash, check or credit card..
3. You agree to comply with all self-checkout instructions, and shall complete the process accurately and truthfully.
